

**Ad hoc announcement**

## **New Head Consumer Goods Division at Adval Tech Group**

**Niederwangen, October 7, 2011, 7.00 a.m. – Jason Lu is the new member of the Group Executive Management of the Adval Tech Group. The 41 year old Chinese will assume the management of the Consumer Goods Division in November 2011 and thereby succeeds Neo Age Seng, who – as already announced in the press release on May 16, 2011 – will leave the Adval Tech Group. Jason Lu has many years of experience in the management and sales sectors as well as in the consumer goods and automotive component supply industry. He is very familiar with the manufacturing of plastic components in large quantities. The new head of the Consumer Goods Division will work from Suzhou, China, where Adval Tech operates a technology center for mold making and two manufacturing plants for plastic components.**

### **Background information on the Adval Tech Group**

Adding value through innovation – that's what the name Adval Tech stands for. As a global technology and process partner, Adval Tech focuses on the complementary technologies of metal stamping and forming and plastic injection molding. In selected markets in the automotive, medical technology and consumer goods sectors, Adval Tech is a leading global supplier of volume components, subassemblies, systems, tools and special machinery. As a value-adding partner, Adval Tech covers the entire value chain: from product design and the development of volume components through design and production of the necessary molds and dies to complete manufacturing systems and the resulting production of components. Adval Tech trades on the markets under the names of AWM, FOBOHA, Omni, QSCH, Styner+Bienz and Teuscher.
